New cadets or cadets having patches or chevrons (rank) sewn on uniforms that are the property of the Theodore Roosevelt Division, USNSOC will take uniforms and issued patches to CMS. If you utilize another alteration shop and the patches are placed incorrectly, you are responsible for paying to have them corrected.

Drop off uniforms and patches at CMS, when you pick them up, render payment and bring the receipt to the Supply Office for reimbursement. The unit will not pay for patches sewn on at another location.

TRD will only pay for placement of patches and one initial cleaning. Subsequent cleaning and cleaning at return of uniforms are at your expense.
